WEDDING

## **LANGHE MONFERRATO ROERO: THE PERFECT LOCATION TO SAY “I DO”**

**GETTING MARRIED  
IN LANGHE MONFERRATO ROERO  
IS THE RIGHT CHOICE.  
AN AREA THAT NARRATES  
A CHARMING STORY THROUGH  
ART, CULTURE, BEAUTIFUL  
LANDSCAPES, FOOD AND WINE  
AND LOCAL TRADITIONS.**

Gentle hills and scented vineyards, medieval castles and towers, Romanesque architecture and small churches typical of Piedmontese Baroque, ancient dwellings and small hamlets, fine wineries and open-air museums, each place is the perfect setting for exchanging wedding vows in a romantic atmosphere.

Not just evocative sceneries, but also products of excellence such as the Alba White Truffle, noble wines such as Barolo, Barbaresco and Barbera, high quality cuisine, whether refined and innovative or informal and genuine, will play a key role in a day in the name of elegance and authenticity.

## **SAYING “I DO” SURROUNDED BY HISTORY**

**A UNESCO WORLD HERITAGE  
SITE SINCE 2014, THE AREA  
IS STUDDED WITH A LARGE  
VARIETY OF CASTLES  
FROM DIFFERENT ERAS,  
STATELY HOMES AND BAROQUE  
PALACES WHERE TIME SEEMS  
TO FLOW MORE SLOWLY.**

Stunning venues for an exclusive wedding ceremony in any season of the year, where you will become part of the history enclosed in these ancient walls.

Wide indoor and outdoor spaces, often surrounded by Italian gardens, endless views, frescoed salons, crystal chandeliers creating plays of light, and majestic settings. Everything contributes to a timeless, fairytale-like experience.

## SAYING “I DO” SURROUNDED BY GREENERY

**Celebrating your wedding in a vineyard or a forest, surrounded by nature, is a matter of style.**

The rows of vines stretching as far as the eye can see, the harmony of surrounding colours, the charm of an inner courtyard, and the lush nature, are typical local features that satisfy a trend that never ceases to make newlyweds and guests dream.

On the one hand there is the wild beauty of a location with a country flavour that is elegant and poetic at the same time, and on the other hand there is also the added value of having a wine tasting in the cellar to impress guests with fine wines such as Barolo, Barbaresco and Barbera, some of the many world-famous ones.

## FOR AN OLD-TIME “I DO”

The charm of a distant era such as the Middle Ages is a source of inspiration for a wedding that will live on in the memory.

There is nothing missing here to fulfil such a desire. Fortified towers, imposing ramparts, romantic loggias, Romanesque or Gothic-style churches, stone walkways, are the architectural heritage of this corner of Piedmont. Classicism often interacts with contemporary works of art in the area's galleries, museums and theme parks.

A seductive setting for a special, unique day, surrounded by the magic of local legends, traditions and culture.
